Is this all? A

Probably. B

Oh. A

You wanted more? B

Well . . . didn't you? A

Once. B

Upon a time? A

What? B

Nothing. But really. Didn't you? A

What? B

Want more? A

We all do. But then we grow up. B

Live your passion. A

(laughs) B

What? It's what they all say. A

To make money. To sell you cheap answers. B

What about the Dalai Lama? A

What about him? B

He's happy. Content. Passionate about joy and love. A

Sorry I'm not the Dalai Lama. B

I didn't mean- A

No. It's ok. I understand. You'll want to be leaving I guess. B

What? No. A

No? B

No. I . . . I mean . . . no. A

But . . . B

Silence.

But . . . B

It's all just so . . . so sad. A

Yes. But it's all I have and . . . B

Silence.

Yes? A

Well . . . I . . . B

Yes. Me too. A

They want to touch. They don't.
Lights slowly fade.
